Centers for Learning Excellence - Computer Usage Policy

- The STC Code of Student Conduct specifically prohibits “Campus disruptive activities that interfere with instructional activities or other functions that support instruction.”
- Computer usage is limited to academic purposes. Computers, printers and Internet access may not be used for any inappropriate purposes (such as using the Internet to access adult material).

Questions or comments? Please contact the Centers for Learning Excellence Secretary at (956)872-2688, or the CLE Director at (956)872-6445.
