### **Faculty Senate Executive Committee Updates:**

-A Faculty Volunteer is needed to help download all the agenda and minutes from both the Blackboard Shell and Website. The transition to blackboard Ultra and maintenance of the website is a lot easier if we transfer all these items to a facultysenate one drive folder. This includes creating folders for academic years, changing all the names for each agenda and minutes files. This is time consuming and can definitely serve as service to the college. The website management team will soon remove all items older than two years, after we download what we need. Please contact Sylvia Flores at slflores@southtexascollege.edu or 9568725615 for more information or questions.

-The Faculty Senate Executive Committee has committed to providing an informational Faculty Senate Training on Friday, March 4, 1-2pm, using teams: <https://tinyurl.com/m5hd89bt>

Description:

The Faculty Senate of South Texas College was established to facilitate communication among faculty across the college and to represent faculty viewpoints to administration and the Board of Trustees, giving faculty a collective voice and promoting the ideal of shared governance. It is a constitutional body comprised of faculty representatives from each academic division, headed by a president, a vice president, and other elected executive members.

Join us on March 4th at 1:00pm to learn more about the structure, history, and work of the Senate, and why any full-time regular faculty member should consider running to represent their division as a senator (part-time and non-regular faculty can fill vacancies). Current members of the Senate will be present to share information and answer questions.
