Special Meeting Monday, May 16, 2022 at 10:00am

Purpose: to review our top two goals for this academic year, stemming from the salary freeze that began in 2020 and recent jumps in inflation:

1. pay raises to stay competitive
2. restoration of years of experience steps (<https://fast-poll.com/poll/results/f6442245>).

Motions passed:

1. 1st week of June, the Faculty Senate Executive meets with Dr. Solis, VPs, and certain Board members concerning the restoration of steps.
2. Follow up with a formal letter to the Board explaining faculty steps and the Senate's position on their restoration.
