

Program Learning Outcomes 2005-2008 Social Work AA

Mission/Purpose

The Criminal Justice and Social Sciences Department supports the mission statement of the Division of Liberal Arts and Social Sciences. To that end, the Criminal Justice and Social Sciences Department will ensure that it will provide an environment and curriculum conducive to promoting personal growth, life-long learning, and an appreciation for the maintenance of social order. The department will provide skills that will help students to further their formal education and/or employment opportunities and expose them to psychological, sociological, anthropological, and criminal justice principles and theories that they can apply to everyday situations, thereby enhancing their quality of life.
