

Program Learning Outcomes 2005-2008 American Sign Language Concentration AA

Mission/Purpose

The Language and Cultural Studies Field of Study is designated to provide students the opportunity to develop and enhance their practical communication skills and cross-cultural understanding that will provide them the foundational coursework required for careers in languages and cultural studies. Furthermore, the field of study will focus on integrating language, culture and literature to help students gain an international perspective for living and working in today's global society. Students declaring a field of study in Languages and Cultural Studies may choose courses in one or more of the following concentrations: Spanish, Bilingual/Bicultural Studies, Spanish/English Translation and American Sign language.
