

South Texas College is using the Starfish Early Alert system as a communication tool between faculty and students. If you have not accessed Starfish or need help accessing it, please follow the instructions below:

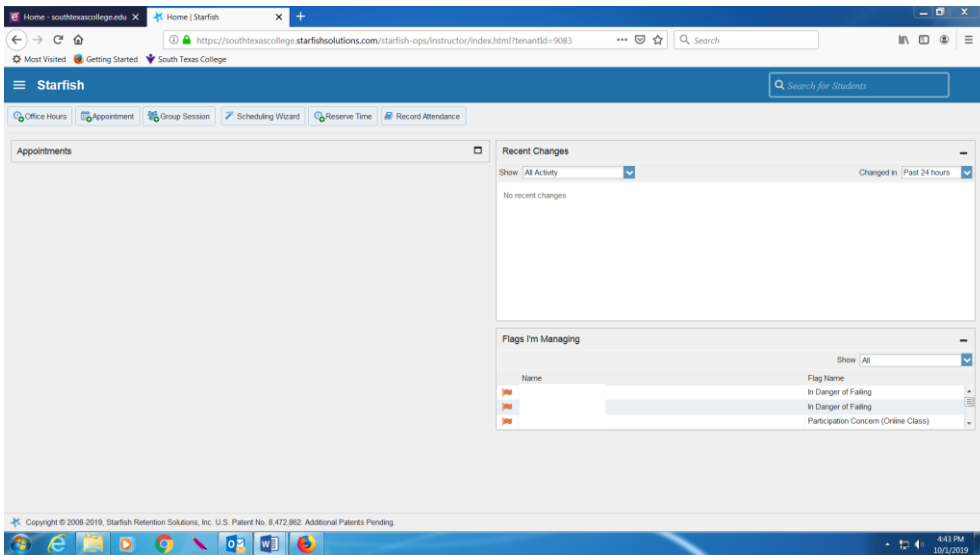

Step One: Click on JagNet on the top of the South Texas College web page (www.southtexascollege.edu), and log in using your user name and password.

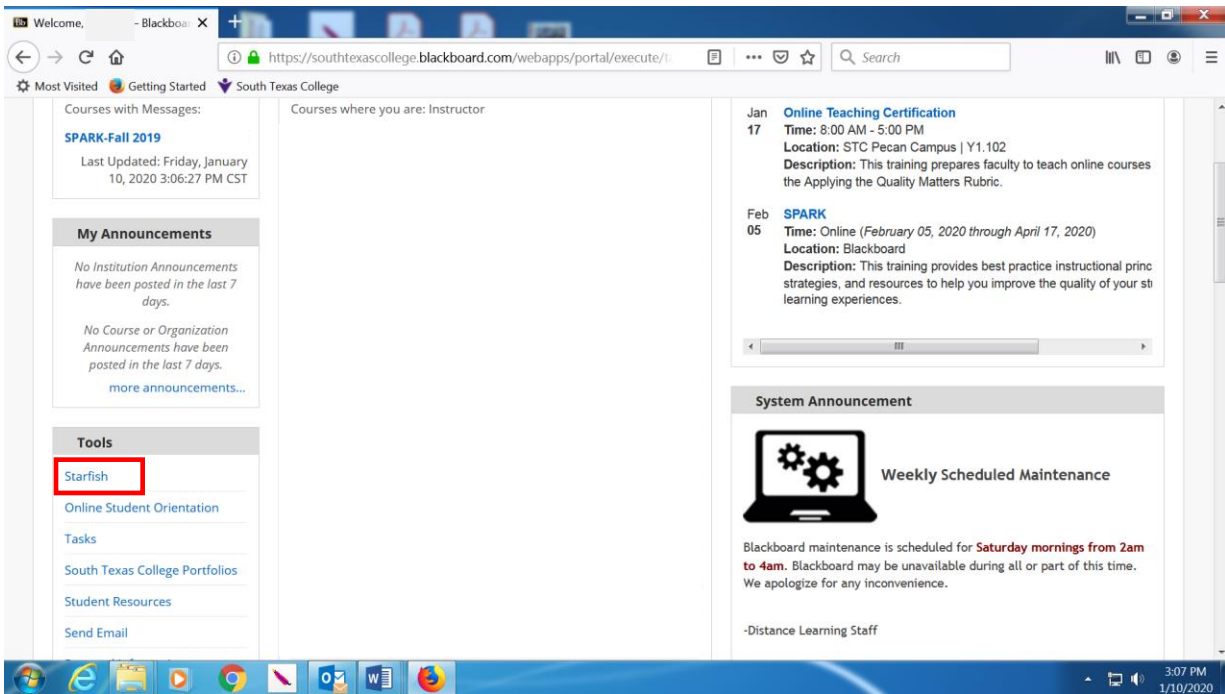

Step Two: Once you have logged on to JagNet, click on the **Starfish** Icon located under Faculty Apps.

Step Three: Your Starfish home page should appear (see below for an example).

NOTE: You can also access Starfish using Blackboard. Once you have logged on to Blackboard, move your cursor down to the “Tools” box on the left side of your screen:

*Starfish video tutorials are also available through Blackboard - click the “Faculty” tab on the top right hand side of your Blackboard page, and then click on “Course Assistance Information”.
