Texas Tech University And South Texas College Student Access and Success Articulation Agreement

Institutions

This Articulation Agreement (“Agreement”) is between Texas Tech University (“TTU”) and South Texas College (“STC”) (individually “Institution” or collectively “Institutions”) and outlines their commitment to the *Student Access & Success* program (“Program”). This Agreement extends to all campuses within the STC district. TTU and STC enter into this Agreement in the spirit of cooperation and mutually recognize each other as quality Institutions of higher learning.

Background

TTU created the Program to support the State of Texas and Texas Higher Education Coordinating Board’s *60x30TX* Strategic Plan Initiative promoting access, affordability, quality, success, and cost efficiency throughout Texas’ institutions of higher education. The mission of the Program is to support a more globally competent workforce by increasing the number of individuals seeking to further their education. The goal of the Program is to increase access to and the number of transfer pathways from which prospective students may choose to pursue a baccalaureate degree while seeking to reduce overall costs of education.

South Texas College was founded in 1993 to serve the counties of Hidalgo and Starr in the Rio Grande Valley. It currently serves approximately 30,000 students and offers over 121 degree programs and certifications as well as continuing, professional and workforce education programs and Dual Credit courses for eligible high school students. South Texas College is a world-class institution advancing regional prosperity through education for a better quality of life in our community. South Texas College is also an innovative, public, post-secondary institution providing quality education and career pathways. The College achieves student success, nurtures talent development, and promotes economic vitality through collaborative and creative approaches to teaching, learning, and support services.

Purpose

The purpose of this Agreement is to foster engagement of pre-transfer students in communications with TTU and provide them a transfer pathway from STC to TTU for completion of a baccalaureate degree. The Institutions are dedicated to providing greater educational opportunities and services for students transferring between the two Institutions, including a commitment to:

- Increase awareness of educational and student support opportunities available.
- Encourage currently enrolled transfer students to complete their associate degree.
- Provide pre-TTU academic advising to increase degree applicability of transfer credits.
- Provide a more seamless transfer experience to TTU.

The Agreement provides a structure through which transfer articulation on all levels can be supported by the Institutions.
