

CSU-Global and _____ formally recognize that both academic institutions are committed to providing greater educational opportunities for students transferring between the partner institutions. This commitment strongly supports the principle of seamless transfer, whereby students should not be required to repeat competencies already achieved. **CSU-Global agrees to extend a 10% tuition discount for a period of up to 3 years to graduates of associate’s degree programs, as well as employed faculty and staff of the community college institution.** Both organizations agree to enter into this agreement to implement and promote said agreement in a proactive and coordinated manner, including direct links on their respective websites, marketing materials, and applicable events.

Transfer credit will be assessed on a course-by-course basis for each eligible course with a C- or higher. Syllabi may be required to establish course transferability in some cases. Courses approved for transfer credit will be reviewed every 3 years. The maximum number of transfer credits that can be accepted and applied from a 2-year institution is **sixty-four (64)**. This transfer credit limit will be the difference between total credits required for degree completion and university upper-division requirements.

Either institution may end this affiliation at any time with 30 days written notice. Students accepted into the program prior to the termination date will be allowed to continue in the program with the discounted tuition rate.
