Note 7: This course is designated as a College Requirement and can be completed either at the junior/community college or at SFA

The requirements reflected are for the core, college, major, and minor. Core completion at a Texas public institution equals core completion at SFA; however, the college, major, and minor requirements must still be completed. College requirements are indicated within the first two years by Note 7.

Any courses taken at the junior/community college level that are acceptable in the major will be substituted in; additional junior/senior level classes may be required to meet the required minimum number of upper level hours. Determination of course substitutions within the major will be made on a case-by-case basis. A maximum of 66 hours of academic courses plus up to 4 hours of PHED/KINE courses from community colleges can be applied in a bachelor's degree. If core is not complete at Texas public junior/community college, core must be completed using SFA's requirements.

This does not constitute or replace an official degree plan. This information, though accurate for this bulletin, is subject to change without notice. For additional information contact the Liberal and Applied Arts Advising Office at purpledoors@sfasu.edu or 936-468-2205. 3/5/2019
