

ARTICUALTION AGREEMENT

Computing and Mathematical Sciences Division Texas A&M University – Corpus Christi AND Computer Science Department South Texas College

The Computing and Mathematical Sciences Division within the Texas A&M University-Corpus Christi College of Science & Technology agrees to accept the following courses as transfer credit from South Texas College:

South Texas College	TAMUCC
Group 1: COSC 1301 Microcomputer Applications	COSC 1315 Computer Literacy
Group 2: *BCIS 1332 COBOL Programming *BCIS 2332 Advanced COBOL Programming *BOTH MUST be taken for the TAMUCC course	COSC 2470 COBOL Programming
Group 3: *COSC 1420 C Programming *COSC 2330 Adv Comp Sci Prog *COSC 2315 Data Structures *ALL 3 MUST be taken for the 3 TAMUCC courses sin	COSC 1435 Intro to Prob Solv I COSC 1436 Intro to Prob Solv II COSC 2437 Data Structures nce there is not a 1-1 course correlation
Group 4: COSC 2325 Comp Org & Machine Lang	COSC 2434 Comp Org & Assem Lang
This agree will be effective as of the summer 2004 semester	
South Texas College	Texas A&M University – Corpus Christi
Mr. Saeed Molki Date Chair, Computer Science Program	Dr. Carl Stiedley Date Chair, Computer and Mathematical Sciences Division
Mr. Mario Reyna Date Dean, Division of Business, Math, Science & Technology	Ms. Olivia Bayarena Date Computer Science Academic Advisor

Mr. Juan Mejia Date
Interim Vice President for Instructional Services

Mr. Gabriel A. Viera Date
Computer Science Instructor
